

TRANSITS OF THE SUN AND JUPITER THROUGH SHUBA AND KRURA SIGNS

SHUBA ABDE & KRURA ABDE

SHUB ABDE & KRUR ABDE

C. S. Patel states that Venkatesh, the author of Deva Kerelam has defined about Krura Rasi as follows:

D.K.2 p.241 verses 1774.1/2 and 1775.1/2

रन्ध्रे शाक्रान्तभवनदृष्टराश्यंशकोष्ठागाः ।
क्रूरमासा इति ख्याताः क्रूराब्दे योजयेत् क्रमात् ॥

It means that

- i) The signs occupied by the lord of the 8th house; ii) it's trine signs; iii) signs occupied by him in the navamsa; and iv) the trines thereof are krura signs.
- Transits of the Sun through them are said to be krura masa (months).
- Transits of Jupiter through them are said to be krura abda (year).

There are two groups of ascendants :

- 1st Group -Ascendants from Aries to Virgo - the 8th lords of the 8th signs are i) Mars for Aries ii) Jupiter for Taurus iii) Saturn for Gemini iv) Saturn for Cancer v) Jupiter Leo and vi) Mars for Virgo, respectively.
- These planets, who are lords of the 8th house have 2 additional aspects than the 7th aspect. Hence the total number of krura signs are more.
- 2nd Group -Ascendants from Libra to Pisces – the 8th lords of the 8th signs are i) Venus for Libra ii) Mercury for Scorpio iii) Moon for Sagittarius iv) The Sun for Capricorn v) Mercury for Aquarius and Venus for Pisces, respectively.
- These planets, who are the lords of the 8th house have only one aspect, that is the 7th aspect. Hence the total number of krura signs are less.
